

PLAN NOW TO ATTEND

EC Day 2000

June 5, 2000

Omni Shoreham Hotel
2500 Calvert Street N.W.
Washington, D.C. 20008

Sponsored by the

DoD Joint Electronic Commerce Program Office (JECPO)

"Electronic Business in Action" was the theme for EC Day 1999, which highlighted the use of commercial EC technologies to improve the way DoD supports the Warfighter, Industry Trading Partners, and the Business Functions. EC Day 2000 continues this initiative and sets a milestone in electronic business process development for the new century.

EC Day 2000 is a sanctioned activity, conducted in support of OSD's Acquisition and Logistics Reform Week (May 22-

26, 2000). This year's notable lineup of speakers and panels promises to make EC Day 2000 a positive influence in DoD's planning for and implementation of electronic commerce throughout the millennium. Also expect an interesting and comprehensive array of government and commercial EC exhibits to complement the day's activities.

For more information on EC Day 2000, call the EC Answer Line at 1-800-334-3414 or go to the JECPO Web site at <http://www.ecday2000.net/> on the World Wide Web.
